NDP UPDATE

Following the withdrawal of neighbourhood development plan, the Parish Council has now considered the examiners comments and will look to resubmit the plan.

SMARTWATER AREA

The Parish Council are considering making Lyonshall a Smartwater area, but to do this there would need to be a 70% parish uptake.

Smartwater is a water based solution with a unique forensic code. It's made invisible to the naked eye but can be seen under UV light. It doesn't prevent theft but could help your property, if stolen and found again, make its way back to you more easily.

If there is enough interest, the Parish Council would consider the parish becoming a “we don't buy crime” area and purchase the smartwater kits for households to mark their property. If you are interested please contact the clerk: lyonshallparsclerk@gmail.com

SCAMS

There are warnings everyday about the latest fraud scam. Look out for telephone, postal and courier card fraud and remember never give your bank details out freely. West Mercia police website offers a wealth of cyber crime and fraud prevention advice at www.westmercia.police.uk.

FOOTPATHS & HEDGES

A reminder to land/home owners that it is your responsibility to ensure hedge cutting along pavements and footpaths is done. If you are asked to clear them and do not, the Parish Council can request for Balfour Beatty to do the work, they in turn will charge the owner. If you are out and about on the parish footpaths and find a problem please report it to the Footpaths Officer, Kate Lomax or the Clerk.
